[illegible]
[illegible]

I AM WORKING WITH REGARD TO THE TEST PRINT WHICH I RECEIVED YESTERDAY AT THE SCREENING IN [illegible]. THE FILM SEEMS TO DISPLAY MANY OF THE IMPERFECTIONS OF A FIRST. THE SOUND WAS NOT LOUD ENOUGH THE DIALOGUE WAS OFTEN INAUDIBLE. FILM WAS STUCK IN THE GATE FOUR TIMES. THE STOCK WAS FAIRLY GRAINY (NOT BAD BUT NOTICEABLE) AND SHOWS SOME SCRATCHES. FINAL FOCUS FIELDS ARE MISSING, SOMEWHAT OBSCURING BY MISMATCHING SOME SHOTS. MIDDLE FOCUS IS EVIDENT THROUGHOUT. THE MIS-PUNCHED 1 TO THE RIGHT OF THE FINAL 1 IS EXTREMELY STRONG AND VISABLE WITHOUT A GLASS. THE REVENGE LINES

MENTIONED BY BREED AND VISABLE
WITH THE EXCEPTION OF THE BASAL
LINE FROM F TO THE LUNATE UNCUS IS
BARELY VISABLE AT 16 AND 60X.
THE FAINT STRIAE MENTIONED BY BREED
ARE VISABLE, BUT SEEM TO BE DEFINITELY
ORIENTED BY THE MANUFACTURING
CLEANING.

I MUST QUALIFY THESE REMARKS
REGARDING BY MENTIONING THAT I
HAVE BEEN ACTIVELY INVESTIGATING
THE ONLY A WEEK AND HAVE NO
EXPERIENCE IN EARLY CHINESE TOOLS.
MY EXPERIENCE IN THE FIELD IS LIMITED
TO SEVERAL HEAVILY PATINATED AND
STAINED TOOLS SO THAT MY OBSERVATIONS
MAY BE WHOLLY INADEQUATE.

IF YOU WOULD BE INTERESTED
IN SEEING THE TOOL, I WOULD BE
VERY HAPPY TO SHOW IT TO YOU.
I WOULD ALSO BE INTERESTED IN
ANY COMMENTS YOU MIGHT HAVE

FOLD

DETERMINING PROOF STATUS, DESPITE ALL MR BAEENS WORDS, IS SOMETHING THAT REQUIRES CONSIDERABLE TIME AND EXPERIENCE — IF YOU ARE EVER IN THIS AREA I WILL BE GLAD TO LOOK AT YOUR COIN - I DO NOT WANT COINS MAILED TO ME.

I WOULD SUGGEST THAT YOU TAKE YOUR COIN TO A MAJOR COIN SHOW AND ASK A NUMBER OF THE DEALERS IF THEY CONSIDER YOUR COIN A PROOF.

THANK YOU FOR YOUR INTEREST

SIGNED Roger Cohen
